

17TH BIENNIAL CONFERENCE
26-29 DECEMBER, 2024

HYATT REGENCY, GURUGRAM

**INDIAN SMALL SCALE
PAINT ASSOCIATION**

Dear Members of ISSPA Parivar

Namaskar !!

After the grand success of the 16th Biennial Conference in December 2022, We are immensely pleased and privileged to invite you all on the occasion of **17th Biennial Conference** being held in the city of dreams from **26th -29th December 2024 at Hotel Hyatt Regency, Gurugram.**

The theme for this Conference

We, Paint Manufacturers are always associated and acquainted with Shades of Colours. Now we need to strategies for Shades of Success. We will have simultaneous presentation in different sessions on the subject of interest in industry. In this regard Expert and Professionals in the field will deliberate on different topics. In this era of globalization, the exchange of knowledge & skill give a further fill up in integrated growth of our industry, because we have accelerated development in infrastructure, housing and other standard of living in progressive and choice based manners. **Parallel Exhibition will be held at the same venue.**

Gurugram is a city just southwest of New Delhi in northern India. Gurugram is the second largest city in the Indian State of Haryana and is the industrial and financial centre of Haryana. It has the 3rd highest per capita income in India. It's known as a financial and technology hub. It is also the IT hub & Center of various BPO Companies.

Hyatt Regency is premium five star business hotel in the near of Gurugram. It is spacious property located in NH8. We have selected Hyatt Regency Gurugram for the proximity to the airport, rail and having the best connectivity by road. With all across the country as Delhi being the capital of Country.

Together we will make this event memorable and a platform for fruitful exchanges and transformative ideas so we can create lasting impact and drive positive changes.

Appeal for Event Support

Respected Sirs,

The **Indian Small Scale Paint Association (ISSPA)** has immense pleasure in announcing the **17th Biennial Conference** in the city of Gurugram. Conference will be held between **26th-29th December 2024** at Hotel Hyatt Regency, Gurugram.

ISSPA is the representative body of Paint Manufacturers in the **MECE** Sector, which voices of grievances in the various forums of State and Central Government. In the last 68 years of dedicated services to its members, Association has grown in popularity and service to its member. ISSPA is one of the Largest Paint Manufacturer Association in the World. It has its presence **11 Regions** with **Membership of over 2100** and still growing Tall & Strong.

The gathering at our conference constitutes mainly the buyers of various raw materials & packing materials used in the Paint Industry. The three days Biennial Conference will provide plenty of opportunities to interact with prospective customers and you can very well imagine the cost and time effectiveness in promotional effort by meeting such a number of prospective customers under one roof. International Delegates will also participate. Each delegate is a potential consumer of the products, you have to offer and would constitute a prime target for your promotional effort.

While we propose to hold the conference in a grand location and on a large scale, we are approaching your esteemed organization for support by way of substantial event support. In return we have designed a package for the event supporters and you will not find us lacking in reciprocity. we hereby solicit your support to ISSPA & would be grateful to receive your positive response. With our long & cordial relationship, we have confidence that you will be generously receptive to our appeal.

We humbly request for your wholehearted support, in sponsoring the event which will give extra mileage and an excellent opportunity to promote products in a single largest platform of paint manufacturers.

Thanking you in advance,
Yours truly,

Shilpa Raveshia

SHADES OF SUCCESS - ISSPA

Establishment :

- ▶ In the Year 1956, GOI imposed more than 100% Excise Duty on Paints and 7 Paint Manufacturers came together to make Representations to GOI. Protested against this unbearable high duty and this group was then known as **Indian Small Scale Paint & Allied Association** was (Born).
- ▶ The first 20 years the managing committee worked to address the many issues regarding the shortage of raw material specially alkyd resin requirement.

Achievement :

- ▶ In 2013, the Government of India imposed anti-dumping duty on white cement. India had 2 major companies who were manufacturing white cement and they were also manufacturers of cement putty. The small and medium putty manufacturers were not able to compete as they had to buy white cement from them. ISSPA represented the grievances to the GOI and explained the unfair practices, the companies should stop producing putty or else the trade doors should be opened to all. Putty Manufacturers got the relief and import trade was opened **anti-dumping duty** was removed.
- ▶ Our association has been exchanging its views with the Ministry on this issue for almost 15 years and said that **lead metal** is not directly involved in the production of our paints. Because only micrograms of lead is found in the production of paint, whereas there are many products in India in which lead is found in abundance such as water pipelines, children's school pencils, lipstick and vermilion for women's, idols of God etc. We had many other examples but following the advice of WHO our association cooperated with the government and made our paint industries aware of the new technology and developed new technologies for the production of decorative paints. It was invented so that our industries do not face any problems.
- ▶ After 61 years, GOI amended the taxation system in India by introducing GST in 2017. ISSPA members were hit by this classification of paints as a Luxury Product. Paints was classified under Luxury category and attracted 28% GST. This was the biggest hit to this sector. GST Raw materials input credit setoff on most paints manufactured was 8% and ISSPA members had to pay Cash input of 20% on Value of Paints sold. This would have resulted in closure of few hundred manufacturers as they are small and cannot infuse such large sums for doing business. After strong and effective representation to Finance Ministry and GST Council by Central and all Regions (Nation Wide), ISSPA Parivar. Paint Industry to get relief in 6 months and such fast response from Government of India to Paint Industry by giving **GST Tariff reduction on Paints from 28% to 18%**.
- ▶ Besides this ISSPA participates in various Nation International Coating Exhibitions, ISSPA has its own in house magazine "**Paint News**" which gives lots of information of our industry.

ISSPA is representing on various forums safeguarding the interest of small and medium scale paint manufacturers.

- ▶ National Skill Development Corporation (Paint and Coating Skill Council)

- ▶ Bureau of Indian Standard

- ▶ Micro Small and Medium Entrepreneur Ministry

- ▶ Ministry of Chemical and Fertiliser

- ▶ Ministry of Commerce and Industry

- ▶ Indian Merchant Chamber of Commerce
